SAI SMITHA GANTLA

+91-8688859762 saismithareddy07@gmail.com linkedin.com/in/saismitha07 github.com/saismitha07

Summary

Computer Science graduate with knowledge of programming languages and Problem Solving Skills. Looking for an entry-level opportunity to apply my skills and gain industry experience.

Projects

Face Recognition Based Attendance System |*Python, OpenCV* **September 2025 – November 2025**

- Developed a Face Recognition Based Attendance System using Python and OpenCV to automatically detect and recognize faces through a webcam.
- Collected and trained facial images of users to identify them and mark attendance in real time.
- Stored attendance records with name, date, and time in a CSV file to reduce manual work and prevent proxy attendance.
- **GitHub Link**

Scrutinizing Machine Learning Models for Cancer Prediction | *Python, Pandas* **February 2025 – March 2025**

- Developed a machine learning model to predict cancer using medical dataset features.
- Implemented and compared algorithms such as Logistic Regression and Random Forest using Python and Scikit-learn.
- Evaluated model performance using accuracy and other metrics to identify the most effective prediction model.
- **GitHub link**

Skills

Programming: Python, Java
Web Technologies: HTML, CSS, JavaScript
Databases: MySQL
Tools: Canva, Git(basic)
Concepts: OOPs(basic), Data Structures, Software Engineering(basic), OS

Awards & Certifications

- **GATE 2026 (Computer science)**: Score : 484 , All India Rank : 8659.
- **Software Engineering Certificate – Saylor Academy (2025):** Completed assessments on applying Engineering Principles to Software Development and Software Development life Cycle .
- **AI-ML Virtual Internship Certificate by Eduskills – Google for Developers (2025):** Hands-on Experience with Basics of tensorflow and google cloud.
- **Course Completion Certificate – Infosys Springboard (2025):** Hands-On Computer Vision with OpenCV.
- **Database Programming with SQL – Oracle Academy (2024):** learned to design, build, and extract information from relational databases using the SQL programming language.
- **Computer Society of India (CSI) body Member – (2023):**participated in technical workshops and networking events.

Education

B.E Computer Science and Engineering **2023-2027**
Maturi Venkata Subba Rao College, Hyderabad *CGPA: 9.28 / 10*

Intermediate MPC **Graduated: 2023**
Alphores Junior College, Karimnagar *CGPA: 9.68 / 10*

Board of Secondary Education **Graduated: 2021**
Krishnaveni Talent School, Peddapalli *CGPA: 10 / 10*
